

Every parent and carer (who has parental responsibility PR) is expected to fill in and sign a contract between themselves and Fountains Primary School. The contract will detail the code of conduct at the school.

Agreement between Fountains Primary School and (Person with PR) of

..... (Address)

For the education of..... (Child's name) (Date of birth)

"I understand and agree that Fountains Primary School operates a policy of open access to information. If I wish to discuss issues concerning my child and his/her education; view the policies and procedures under which the school runs, or to discuss other relevant matters, staff/governors will be available at pre-booked, mutually agreed times."

As part of my child's learning experiences at the school there will be occasions when she/he will be taken off the premises (i.e. on walks, visits, sports fixtures etc). These outings are an integral part of the school curriculum and I give permission for my child to be included on such occasions. In addition to this I give permission for first aid or urgent medical treatment during any school trip or activity.

I am aware that as an educational establishment the school has no facilities to care for sick children and agree:-

- To keep my child at home when she/he is not well.
- To being contacted in order to make arrangements for my child to be collected from the school should she/he become unwell.

The school expects to be informed, by message or telephone call from a parent/carers with parental responsibility, if their child is absent. The school will need to be informed no later than 9.00am on the first day of absence. If no message is received; verbal or written, regarding an absence then the school will contact you by text.

All children at Fountains Primary School are expected to adhere to its Core Values regarding behaviour. At times some children may find these expectations challenging and therefore, a Positive Behaviour Support Plan will be written by your child's class teacher and agreed by yourselves.

I agree and support the behaviour expectations of the school as set out in the school's Behaviour Policy (available on the school website).

Staff at Fountains Primary School will:

- Ensure that good behaviour is promoted, recognised, celebrated and rewarded within school.
- Address pupils, parents and each other in an appropriate manner.
- Challenge behaviour that puts pupils' safety, happiness, learning and social/academic development at risk.
- Provide each pupil with an opportunity to be listened to, ensuring that the pupil's views are considered.
- Investigate all incidents of a serious nature thoroughly before issuing a sanction.
- Support students who are trying to overcome personal barriers to learning.
- Ensure that parents/carers are fully informed of the detail and outcome of incidents where their child's behaviour has conflicted with the core values.
